Hampshire Dyslexia Association Assessor List: Nov. 2026

List 1 below consists of individuals who can assess for dyslexia and consider indications of other specific learning difficulties such as dyspraxia, dyscalculia and dysgraphia and therefore offer full diagnostic assessment reports. Some may also be able to offer a screening test for primary-aged children that takes a much shorter time and at a much-reduced rate. You are advised to contact the assessors on this list individually and discuss your requirements

List 2 consists of those individuals who offer only workplace assessments.

When contacting, you should confirm:

- The cost of the assessment (as a rule an Educational Psychologist Assessment will be more expensive than a Specialist Teacher Assessment).
- Where it will take place and how long it will last
- How soon can you expect the report
- If you need the assessment for a funding body, such as SFE or NHS, to provide evidence for the Disabled Students' Allowance (DSA) please check with the assessor that they have the appropriate registrations for this evidence.

Hampshire Dyslexia Association has verified the qualifications of those on this list. However please discuss the DBS (Disclosure Barring Service) check with your assessor as H DA does not take responsibility for this. Hampshire Dyslexia Association is a charity run by volunteers who offer information, advice and support to the best of their knowledge and ability. However, please note: The Association is not responsible for any actions you take or decisions you make following consultations.

Thank you for contacting the Hampshire Dyslexia Association and I hope the information provided is helpful.

Please consider joining HDA: Email hantsda.helpline@gmail.com for application forms.
